Revisions to Planter Boxes

ISSUED: March 05, 2025

PROJECT: AWSOM
BENTONVILLE, AR

FROM ARCHITECT: POLK STANLEY WILCOX ARCHITECTS
801 SOUTH SPRING ST.
LITTLE ROCK AR 72201

TO CONTRACTOR: CROSSLAND CONSTRUCTION COMPANY, INC

PROPOSAL REQUEST 117 BRIEF

This PR removes the custom interior steel planting box, planting mix, and gravel base leveling fill at the School Lobby planting beds at the Gallery Steps.

These changes are a result of continued discussions with the owner's plant installer and a tour of the Ledger Building where similar installations were reviewed. The owner's plant installer confirmed they will bring in their own complete system, including geofoam spacers, planter pots, ground cover, etc, and prefers to have an empty box.

REVISED DRAWING SHEETS

1) **ARCHITECTURAL**

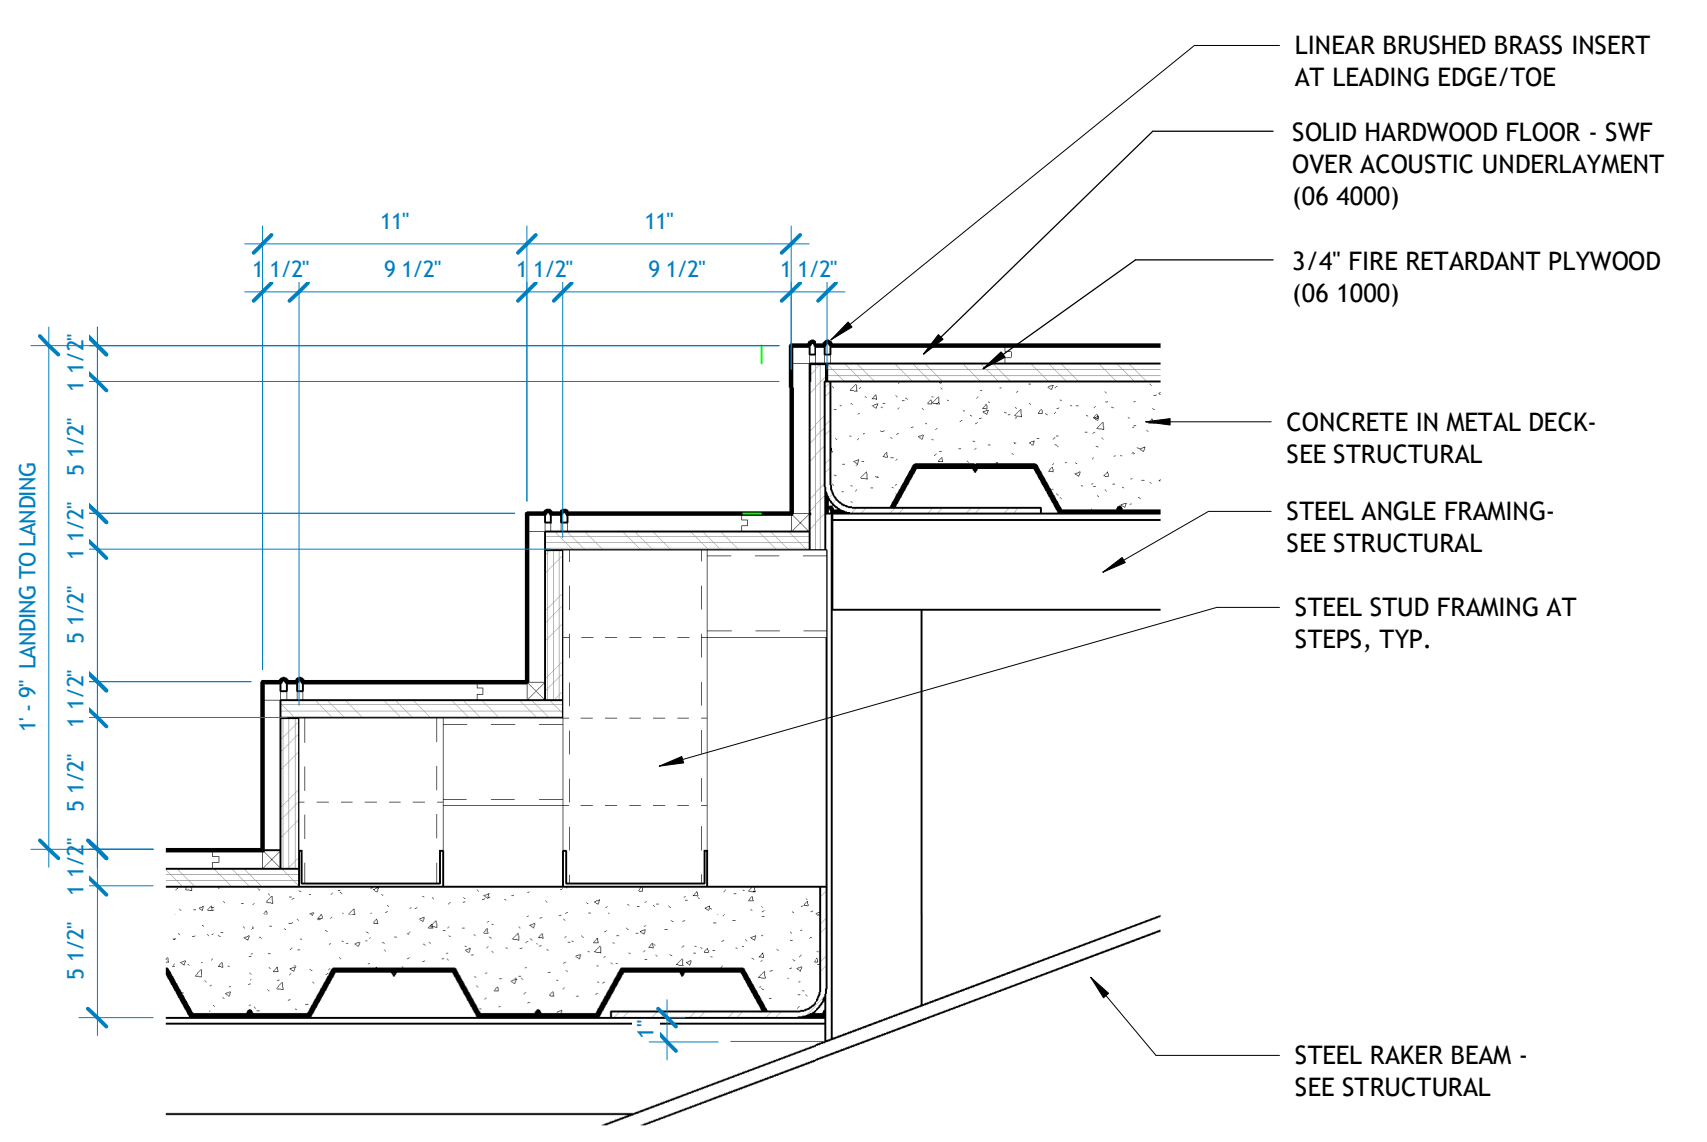

a) Refer to Revised Sheet **A670**, with original issue date 02.24.2023 and revised date 03.05.2025.

- **DETAILS 7, 9, & 11:**

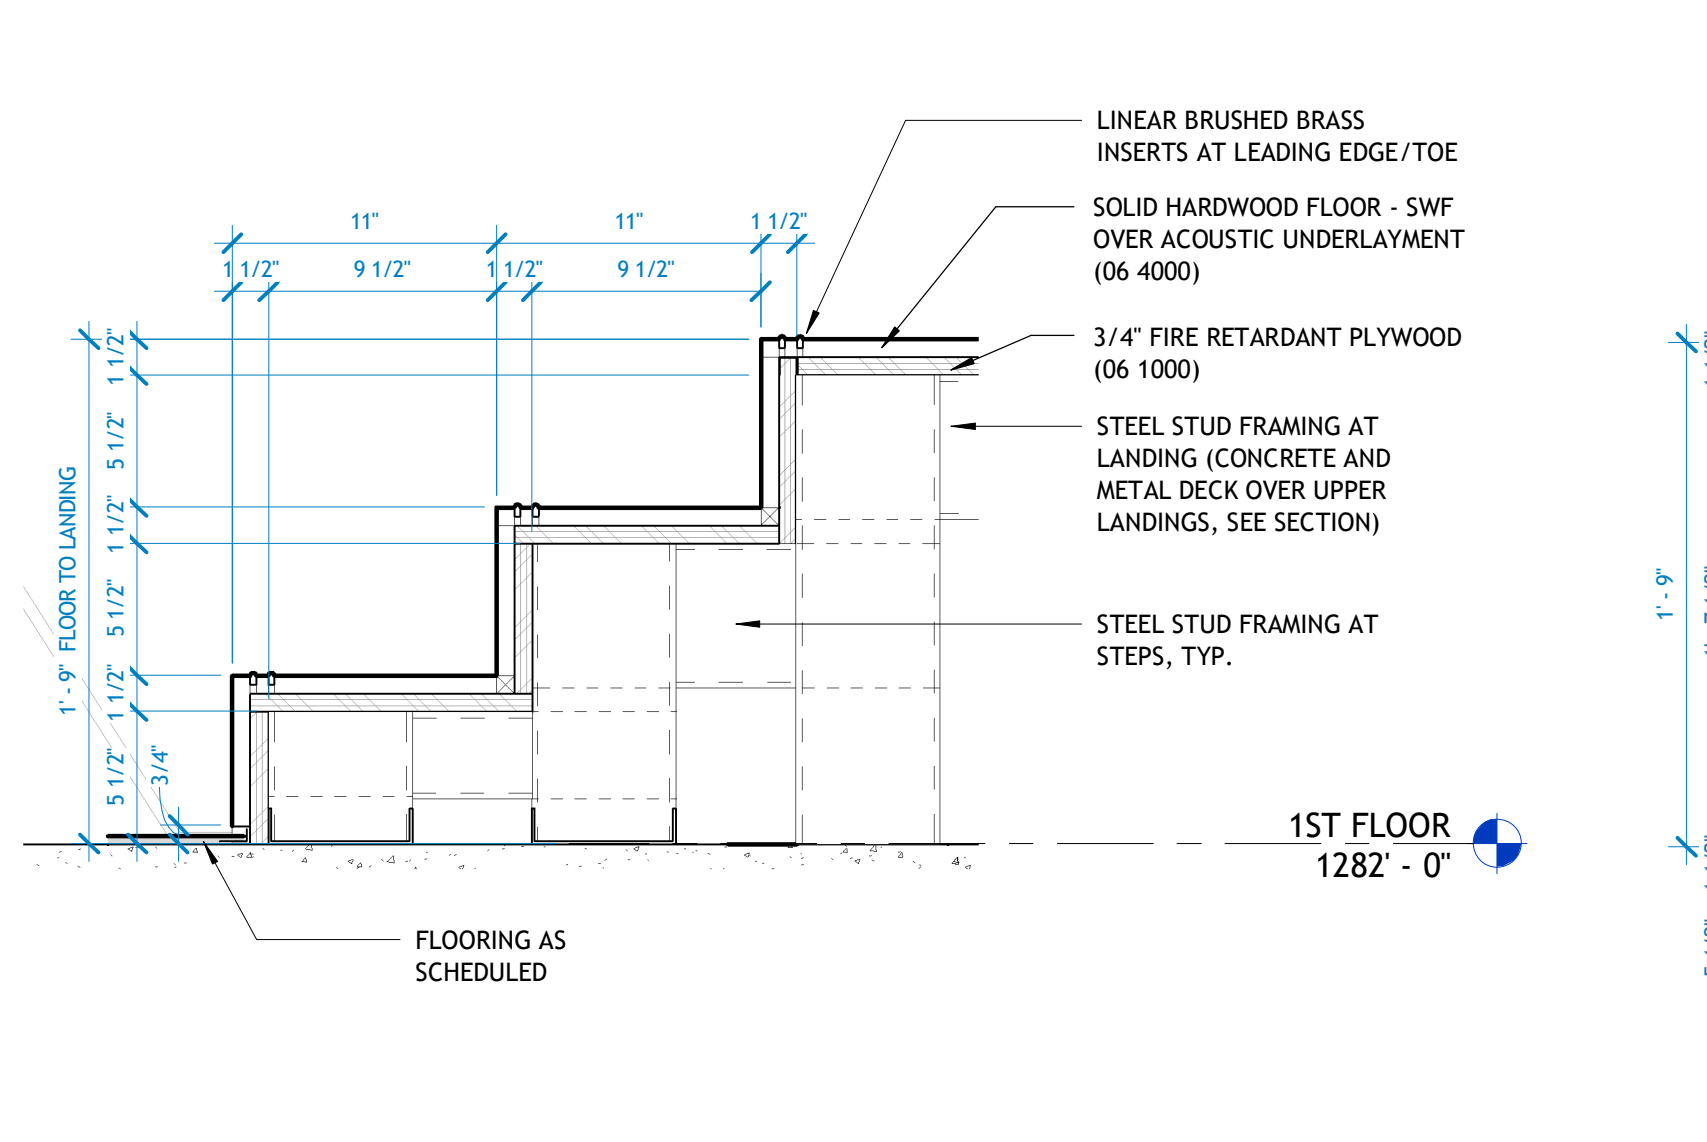

- (1) Remove steel planter box, keeping brass edge trim as originally designed. Plywood base (fully waterproofed) to slope to drains as shown.
- (2) Remove planting mix and gravel base from within planting area. Owner's plant installer will provide complete planting assembly.
- (3) Brass edge note revised to brass 'plate' in lieu of panel, which matches intent of solid plate edge.

End of PR 117
