Everett,

I think we are just needing a basis of design for pricing, and if that changes, we can adjust the pricing via change order either up or down.

Thank you,

Nick,

We do not have that vinyl selected as of yet. We need to coordinate that selection with the furniture to be selected. We can discuss the furniture in the meeting on Tuesday. I will reach out to NEO David Holman and Amy Ishmael about the furniture so that we can move forward with this selection.
