ADVANTORS

A large white rectangular panel is mounted on the door. It features the Advantors logo, which consists of a blue square with a white stylized 'A' shape inside. To the right of the logo, the word 'ADVANTORS' is printed in a bold, black, sans-serif font. In the top right corner of the panel, the number '3003' is printed.

Altronix

A smaller white rectangular panel is mounted on the door. It features the Altronix logo, which is a red square with a white stylized 'A' shape inside. To the right of the logo, the word 'Altronix' is printed in a black, sans-serif font.

Handwritten notes on a label, including "1000V 500A" and "1000V 500A".

Large bundle of black fiber optic cables.

Coiled green fiber optic cable.

Handwritten markings "702" and "A441" on a metal surface.

A person wearing a blue polo shirt, dark blue jeans, a white baseball cap, and a black watch is standing in the center of the room. They are holding a white clipboard in their left hand and a black smartphone in their right hand. They appear to be inspecting or documenting the equipment.

A large black furnace with a digital display on top. The display shows some numbers and a flame icon. The furnace is mounted on a metal base and has various pipes and electrical connections attached to it.

A green water heater tank with a white vent pipe extending from the top. It is connected to a network of copper and white pipes.

Yellow and black hazard markings on a large white pipe. The markings consist of three downward-pointing arrows and the text "CAUTION HOT SURFACE".

A television mounted on a wooden panel on the wall. The screen is dark, but some faint reflections are visible.

White papers or manuals pinned to the wooden panel above the television. One paper has some text and a diagram, but it is difficult to read.

A coiled blue cable or conduit hanging from the ceiling or a high shelf.
