		Master Submittal List
Section	Submittal Group	Description
01 33 23		THIS SECTION APPLIES TO ALL SUBMITTALS IN THE PROJECT SPECIFICATIONS
	1	DIVISION 01
	T	Security Plan
	1	Duplicate Keys and lock combinations
01 00 00	1	Electronic security memorandum
		Phasing plan
		As-built drawings
		Qualification proposal to COR within 10 days of bid acceptance
		Provide all computer-produced time/cost estimates monthly
		Submit 3 blue line copies of interim schedule within 20 days of notice to proceed
		Cost per work activity/event and responsibility code for all activities/events
		Supporting data to project schedule
		Electronic file containing all info needed to produce a schedule
01 32 16.15	1	Submit monthly AIA application and certificate for payment documents
01 02 10,10	_	Submit updated schedule after each monthly schedule meeting
		Within 30 days of VA approval of updated project schedule, submit revised electronic file of activity/event changes
		Submit any requests for change of completion date to contracting officer and show all CPM logic revisions, durations changes, and cost changes
		Preconstruction Submittals
01 33 23	1	Updated Submittal Register
	1	Submit the APP to the COR for review 15 days prior to the date of preconstruction conference for acceptance.
		Submit AHAs to the COR at least 15 calendar days prior to the start of each phase.
01 35 26		Deficiencies in submitted APP will be brought to the COR within 14 days of submittal and contractor shall revise the plan.
		Submit training records to COR for review for compliance with contract requirements 15 calendar days prior to the date of preconstruction conference for acceptance.
	1	Interim CQC Plan
01 45 00	2	CQC Plan
		Accreditation Requirements
01 45 29	1	Written Reports
		Verbal Reports
01 45 35		Perform Special Inspections
01 57 19	1	Environmental Protection Plan
		Debris Management Plan
01 74 19	1	Waste Management Plan
		Monthly summary of construction and demolition debris diversion and disposal
