7. Performance and Payment Bonds: Required within 10 days of award In Accordance With (IAW) FAR Clause 52.228-15, Performance and Payment Bonds—Construction

8. Liquidated Damages: Applicable in accordance with FAR Clause 52.211-12, Liquidated Damages—Construction, in the amount of \$295.00 per calendar day.
9. Warranty of Construction: Applicable in accordance with FAR Clause 52.246-21, Warranty of Construction.
10. Wage Determination: General Decision Number AR20260032 01/02/2026, is applicable to this task order.
11. Subject project requires no Class I Ozone Depleting Substances.
12. Questions and Answers: All questions must be submitted in writing by 12:00 PM CDT, Friday, 15 May 2026. All questions and answers will be distributed to all MACC contractors, so all offerors are treated fairly.
13. Proposal Due Date: Wednesday, 3 Jun 2026 at 2:00 PM CDT.
14. Proposal Preparation Instructions: To ensure timely and equitable evaluation of proposals, offerors must follow the instructions contained herein. Proposals must be complete, self-sufficient, and respond directly to the requirements of this solicitation. The response shall consist of one electronic copy of the following: Signed Offer (page four of these instructions) and completed Schedule B, Price Schedule (page five of these instructions).
15. Offer Acceptance Period: Offerors' proposals must be valid until 30 Sep 2026. Offerors not providing a proposal valid until 30 Sep 2026 shall not be considered.
16. Basis for Award: Award will be based on the following: As allowed for in the LRAFB MACC ordering procedures, Statement of Work (SOW) (ref. Div 01, Section 01 10 01, Part 1, 1.01 para-M of the SOW) this task order basis for award will be lowest price technically acceptable. To determine the lowest priced offer, an offeror's proposed price will be determined by multiplying the quantities by the proposed unit price for each base Contract Line-Item Number (CLIN) to determine the extended amount. These extended amounts will be added together to determine the total price. All MACC Contractors are already considered to be technically acceptable based on the award of the main IDIQ contract.
17. Contract Clauses: All contract clauses contained in the respective MACC IDIQ contracts are hereby incorporated into this solicitation and the resultant task order. If there are any conflicts between the contract clauses and the information outlined in the resultant task order, the contract language takes precedence over the information in the task order.
18. Schedule of Material Submittals: Only the successful offeror shall submit material submittals IAW material submittal schedule after task order award.
19. Progress Schedule: A progress schedule, as contemplated by FAR 52.236-15, Schedules for Construction Contracts, shall be required within 10 days after issuance of NTP.
20. Pre-Design Conference: Will be scheduled with the selected Contractor prior to commencement of design. This meeting will be the charrette to work out all questions to ensure all necessary parties are on the same page. Anticipate for this conference to take a full day. The

Designer of Record will be the lead in the meeting. Prior to the kickoff of the charrette, Contracting will do the required administrative information to issue the NTP.

21. Pre-Construction Conference: A mini pre-construction meeting will be held after the acceptance of the 100% design and prior to commencement of construction.

22. The purpose of this amendment is to update **para 6** to change the site visit date from Friday 8 May 2026 at 10:00 AM CDT to Tuesday 12 May 2026 at 1:00 PM CDT and update **para 12** to change question due date from 2:00 PM CDT, Tuesday, 12 May 2026 to 2:00 PM CDT, Friday 15 May 2026.
