PRICE AND PAYMENT PROCEDURES

08/15

PART 1 GENERAL

1.1 SINGLE JOB PAYMENT ITEMS

Payment items for the work of this contract for which contract job payments will be made are listed in the SCHEDULE and described below. All costs for items of work, which are not specifically mentioned to be included in a particular job or unit price payment item, are included in the listed job item most closely associated with the work involved. The job price and payment made for each item listed constitutes full compensation for furnishing all plant, labor, materials, and equipment, and performing any associated Contractor quality control, environmental protection, meeting safety requirements, tests and reports, and for performing all work required for which separate payment is not otherwise provided.

1.1.1 CLIN 001 (BASE BID - Construct F-35 Foreign Military Special Access Program Facility)

Furnish all materials, plant, tools, labor, and associated incidentals necessary to complete the construction of the BASE BID - Construct F-35 Foreign Military Special Access Program Facility as required by the contract drawings and specifications.
