

MEP layout drawing of a building section showing HVAC, plumbing, and electrical systems. The drawing includes a cross-section of the building with a gabled roof. Key components labeled include: MSCU-1 (Mechanical Service Unit), AH-1 (Air Handler), EF-1 and EF-2 (Exhaust Fans), 1016 RA-1 (Return Air), 1018 CD-1 (230 CFM), and various ductwork and piping. Annotations specify the routing of refrigerant lines, ductwork in the attic, and coordination with the truss system. Dimensions for pipe and duct sizes are provided throughout the layout. The drawing is oriented with a north arrow pointing towards the top right.
