

Ross Group – Introduction to SCORE

Attached are three (3) documents that will serve as guides to walk you through the process of creating an account in Lockton SCORE. Lockton SCORE is utilized to gather subcontractor financial and safety information to ensure the risk is limited to all projects. The attached documents are as follows to guide you through this process are as follows:

- The SCORE MVP User Guide serves as a guide to create a profile in SCORE, and details the information required for completion.
- Accepting a New Connection Request details how to connect to companies that would like to view your SCORE rating.
- Qualification Checklist will provide you with a complete list of items that you will need to gather to complete your profile in Lockton SCORE.

Please complete your company's profile as soon as possible, as subcontracts will not be awarded until the qualification process is complete. An invitation to accept Ross Group to view your company profile will be sent via email upon pre-qualification information completion.
